

PULL A FLOWER CARD FROM THE FLOWEREVOLUTION DECK THAT YOU'D LOVE TO EXPERIENCE?

Good news: we have a flower elixir for every single card in the deck! Find your flower in the reference guide below + discover which collection your favorite flower is featured in.

PINK LOTUS + YARROW

These are the two flower elixirs that we feel are so important, we put them in every formula we make! We infuse every blend with Pink Lotus (wisdom + insights) and Yarrow (re-energize after being on cell phone/computer). Pink Lotus is also a ‘catalyst flower essence’, strengthening and boosting the synergistic effects of every blend.
